Subject: Water rates

We live in Polk county and live in a retired community called Deer Creek we get our water from Polk County but the person in charge is Deer Creek RV Golf & Country Club, Inc. They set up their own water and sewer system although, Polk County reads our meters we are charged by Deer Creek and each year they keep raising our fees and now they say they are in the red we are all on fixed incomes and the 300% increase would be detrimental to all of us we need help.

This is the Application for increase in water rates in Polk County by Deer Creek RV Golf & Country Club, Inc. **DOCKET NO. 20190071-WS**
