As a concerned owner and member of Fawn Ridge RV Park I would like to address my concerns to the proposal of a water rate increase of 307% please vote no on this issue, as this is a retirement community with a limited income we can't afford this type of increase. Our Social Security "Cost of Living" raise does not support this type of raise. Honestly if Deer Creek can't monitor their water issues and losses then maybe they shouldn't be a water utility holder
