Please do not let Deer Creek RV Golf and Country Club raise such a large water rate hike. Myself and virtually everyone else in this community is on a fix income. Between gas prices going up along with insurance, groceries, medical cost it can be a little overwhelming.

**Please vote NO to such a large rate hike!**

We are owners in Fawn Ridge/Deer Creek Phase II UDI in Polk County. It has recently been brought to my attention that Deer Creek RV Golf and Country Club Inc (utility) DCU has requested an exorbitant rate increase of 309% that they want to charge us. This is an over 55 community where ourselves and everyone else involved is on a fixed income of Social Security, or disability. We are not able to afford such an excessive rate hike without repercussions to our monthly budget. I am sure I speak for ourselves and everyone here. With the rising cost of Medicare, Supplementals, Auto, Home Insurance, Prescriptions and Medical expenses covered and not covered, my concerns and questions are how can this be stopped to protect ourselves from such an atrocious rate hike for water and waste water that seems to be out of our control.

For the concern for ourselves and all seniors being affected by this ridiculous rate hike.

**I ask you to please vote NO to protect our seniors!**
