CUSTOMER COMMENTS

PSC Commissioners: Concerning The requested rate increase, As residents of Fawn Ridge, we don't think we should be penalized for poor performance by the operators & management of this utility. We are predominately Retired and on a Fixed income and should not have to use our hard earned money for a 300% increase in utilities. We should be able to use this for food & recreation spent right here in Polk County. Please Deny this Request and Force the operation to correct their problems.
