

Docket # 20190071-WS  
Deer Creek RV Golf & Country Club. Inc.

To whom it may concern,

I am a resident of Regal Pointe in Deer Creek RV Golf & Country club. When we first bought our lot here our maintenance fee was \$108.00 a month. We are now paying \$253.00 a month. Our water bill runs anywhere from \$30.00 to \$60.00 per month. For some who water trees and lawns their bill is more. We also have a maintenance fee for our community which runs anywhere from \$108.00 to \$120.00 per year. All of these fees plus property taxes add up.

This is a 55 and older community and most of us in here live on a fixed income. It is hard to have a 120% increase on water when we barely get 3% increase on our social security. I feel many in here will not be able to meet all the bills required to live here and many will have to decide what to give up, cable bill, food or air condition, etc.

We all want to keep our Deer Creek RV & Golf Club looking beautiful and attractive. But by passing this docket many lots will become ugly as people will not water their trees or shrubs, lawns will burn up, to keep cost down reducing the appearance of our communities.

I thank you for the opportunity to give my opinion in this matter, and I hope you will take into consideration my opinion.

Thank you!
