Subject: Rate increase for water @ Fawn Ridge Campground

Dear Commissioner Polmann:

re: Docket # 20190071-WS

As members of Fawn Ridge, we are strongly protesting the proposed 308% increase for water. This is an exorbitant price, unreasonable for seniors who have limited income. With such expense, we will be unable to enjoy using what we have already bought.

The hearing on this issue was held in December, before many members arrive. Also, the water coming into Fawn Ridge is metered and each gallon used is paid for. However, Deer Creek Utilities has taken no action to find any leak or account for the 30% they claim to be losing.

Thank you for your consideration of this matter.

Sincerely,
Mary & Hassell McClanahan
