Subject: Rate increase for water @ Fawn Ridge

Dear Commissioner Fay,

Re: Docket # 20190071-WS

This is to strongly object to the proposed outrageous 308% rate increase for water usage @ Fawn Ridge Campground in Davenport, FL.

As Seniors living on a fixed income, we members cannot afford this exorbitant amount.

The water coming into Fawn Ridge is metered and every drop is paid for. Also, Deer Creek Utilities has not taken any action to account for the 30% they claim to be losing. Also, the hearing was held in December when most of the members are not there yet.

Dear Commissioner Fay:

Re: Docket # 20190071-WS

We would like to strongly object to the preposterous proposed 308% rate increase for water usage @ Fawn Ridge Campground in Davenport, FL. As members who are Senior citizens living on a tight budget, this is unaffordable.

The water coming into Fawn Ridge is metered and every drop used is paid for. Deer Creek Utilities has done nothing to search for the source of the 30% that they claim to be losing...a leak, maybe.

Also, the hearing was held in December when most of the members fortunate enough to be Snowbirds, are not there yet. We appreciate your reviewing this matter.

Thank you.

Sincerely,
Mary & Hassell McClanahan
