RE: Docket No. 20190001-EI - Fuel and purchased power cost recovery clause with generating performance incentive factor.

As you know, there were two issues in this docket, Issues I B and I C, that were referred to the Division of Administrative Hearings (DOAH) because much of the testimony and information to be presented is confidential in nature. In preparing for the hearing, we need to have one copy of Confidential Document No. 08773-2019, Exhibit RAP-3, reproduced in a large-format so that it can be used as a demonstrative exhibit at the hearing. As such, we are asking that Laura Gilleland-Beck be given permission to view this document and make one large-format copy which will be given to staff counsel, Ms. Suzanne Brownless.

Thank you.
