We all need increases to live in this country and world. Well I was so excited when just a couple of weeks ago I received a letter from social security that my wife and I will get an increase in our monthly check, well we did, \$21 for the two of us, then a couple of days ~~later~~ later they increased the deductions for medicare and tapes to \$10 per month, so what I'm saying is yes I could use a 10-15% increase also, but the large increase that you would like is no different then we would like, so please be thankful for what we have, and a little increase is o.k.

Thank the Lord, George + Rita Lagana
