CUSTOMER COMMENTS
① Our bills are not transparent. The rates are not included on each bill. Please require this.
② This rate is a large increase. Please consider a smaller increase so that fixed incomes may adjust more gradually. We are a non-profit over 55 park.
③ This utility seems to provide service to both our residential park and to commercial buildings. Residents think they are paying for service for water/sewer to these commercial buildings. Please require the utility to clarify and to charge the commercial entities appropriately.
Thank you for considering these issues
