Subject: Notification of Unaccepted E-filing (E-filing ID = 21115)

The document presented has been reviewed by the Office of Commission Clerk and has not been accepted as an e-filing. It appears that the document is intended to replace, revise, or correct a previous filing. The cover letter should be updated to reflect same. Please note that any descriptions or explanations that are entered in the description field on the e-filing website are not part of the official record, so this filing would appear to be a duplicate and would be rejected as same. I hope you find that helpful.
