CUSTOMER COMMENTS

I am writing to protest the water rate being requested in "Docket #20190071-WS". We are senior owners in Deer Creek Phase II commonly known as "FAWN RIDGE" since '88-'89 29+ years. This increase is absurd especially, for us seniors on fixed income, for we use very little water. This increase requested amount could be devastating to each owner and our Pockets. We as owners were not notified of this change until after it was approved, "what a shock!" We ask this rate increase be lower to a more manageable 3% to 5%. We want this complaint be added to the record for this matter.
