Re: Petition by Tampa Electric Company for a limited proceeding to approve Third SoBRA effective January 1, 2020; Docket No. 20190136-EI

Dear Mr. Teitzman:

I am submitting this letter on behalf of Tampa Electric Company as a status report on the two Third SoBRA projects approved in Order No. PSC-2019-0477-FOF-EI, issued November 19, 2019. The Little Manatee River project was in service as of February 7, 2020, and the Wimauma project is expected to be in service in March 2020. The company will update the status of the Wimauma project after it is placed in service.

Thank you for your assistance in connection with this matter.

Sincerely,

J. Jeffrey Wahlen
