Good Morning,

We will be placing your comments below in consumer correspondence in Docket No. 20190166-WS and forwarding your comments to the Office of Consumer Assistance and Outreach.

Sincerely,

Brian Schultz

Commission Deputy Clerk II
Florida Public Service Commission

PLEASE NOTE: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and the media upon request. Therefore, your e-mail message may be subject to public disclosure.

Hello! I am writing to oppose the utility requested rate increases by HC Waterworks. The interim rates approved by the Commission should be sufficient as these interim rates represent approximately a 10% increase.

The water quality at the covered bridge 55+ park is not optimal because there is often an odor in the water.
