Re: Docket No. 20190071-WS – Application for a Staff-Assisted Rate Case in Polk County by Deer Creek RV Golf & Country Club, Inc.

Commission Clerk,

The purpose of this correspondence is to provide updated information related to Deer Creek's (Utility) effort to recover uncompensated service revenues from a business entity in its certificated service area. The Utility provide information in letters filed with the Commission Clerk for the docket file referenced above on October 22, 2019 and January 13, 2020. (Document Nos. 09523-2019 and 00283-2020)

In our January 13, 2020 update we noted that a demand for payment, was authorized by the Board of Directors for Deer Creek RV Golf & Country Club, Inc. in a Board meeting held on December 17, 2019. The letter was sent by the Utility's attorney on January 7, 2020.

As of February 19, 2020, there has been no contact or response from DCC or their legal counsel on this matter. An email, from the Utility's counsel reflects his belief that the uncompensated service revenue issue will have to be resolved through a lawsuit against the commercial property owner, Century Retail.

The Utility request authorization to establish a Deferred Asset Account that will be used to record attorney fees and other related cost associated with the potential lawsuit against Century Retail, the commercial property owner, to recover the uncompensated service revenues at issue. The Utility has already incurred \$5,618, of legal and consulting fees for this matter, as of December 31, 2019 (See the Utility's response to Staff Data Request No. 4 – Item 4).

If you have any questions, please do not hesitate to contact me at (863)-424-2839.

Respectfully submitted,

Jennifer Hernandez  
Utility Supervisor
