Re: Docket No. 20200010- WS - Sun Communities Finance, LLC d/b/a Water Oak
Utility – Exemption from Regulation for Wastewater Service

Dear Mr. Teitzman,

In light of the Commission's vote to approve the PSC Staff Recommendation (as modified) at its Agenda on March 3, 2020, and the requirements imposed on the utility by that decision, I am providing the following information:

- (1) The Utility has begun billing its sewer customers rates that will allow it to recover only the direct costs of bulk wastewater service as billed by the Town of Lady Lake. This began with the billings issued for service from January 6 to February 4, 2020. The individual wastewater bills were calculated by dividing total of the bulk service bill received from the Town of Lady Lake, by the total of water gallons billed to all of Water Oak's wastewater customers for that period. The Utility thus determined an appropriate gallonage charge to be assessed to each of its wastewater customers in order to recover exactly the amount of the bulk bill from the Town of Lady Lake.
- (2) Attached as Exhibit "A" is the most recent bill from the Town of Lady Lake for bulk wastewater service which was used to make this calculation.
- (3) Attached as Exhibit "B" is the 38 page billing run to calculate the first bills at these new rates designed to recover only the cost of bulk service.
- (4) In the future, all bills to sewer customers will be calculated in a similar manner such that the utility will recover through those rates only the amount billed for bulk service by the Town of Lady Lake.
- (5) Attached as Exhibit "C" is a copy of the final 2020 Wastewater Regulatory Assessment Fee Report which is being filed along with payment in full of \$2,102 for the final fees due for sewer service for the period January 1-26, 2020. This was overnighted to the Commission on March 4, 2020 and should be in your possession by March 5.

Mr. Adam Teitzman, Clerk
March 5, 2020

The only remaining item which the utility is required to file in order to close this Docket is the 2019 Annual Report to the Commission. The Utility fully expects to file that report in advance of the rule deadline of March 31, 2020.

Should you or any members of the Commission staff have any questions in this regard, please let me know.

Sincerely,

F. Marshall Deterding
Of Counsel
