**Re: Docket No. 20170114-WU - Application for transfer of facilities and water Certificate No. 165-W in Pasco County from Allen LaFortune and Otis Fonder to A Utility Inc.**

Dear Mr. Fonder:

In response to your verbal request on February 25, 2020, Commission staff removed the recommendation addressing the transfer from the March 3, 2020 Agenda Conference. It is staff's understanding that you intend to file a request for a positive acquisition adjustment. Staff has previously considered additional documentation of plant in service provided after the audit and recalculated net book value based on this additional information, as reflected in staff's most recent recommendation. As such, a request for a positive acquisition adjustment would be the remaining variable for staff to review before taking another recommendation to the Commissioners. With that in mind, we would like to reschedule the docket for the May 5, 2020 Agenda Conference. Based on the new filing date of the recommendation, please file your request by March 25, 2020.

Sincerely,

A handwritten signature in purple ink that reads "Melinda Watts" followed by a stylized initial "A".
