CUSTOMER COMMENTS

Approximately 3 years ago Aquarina Utilities increased the charge for irrigation water from \$10.00 monthly per 45 units to \$56.00 each unit for Saint Andrews residents, resulting in a \$40 raise in our monthly HOA fees. Now that the Aquarina Golf Course has drilled a well to control irrigation costs, the utility is looking to raise potable water fees for both Aquarina Country Club, and adjacent Saint Andrew's Village residents to cover lost revenue from the golf course. As President of the St. Andrew's Village, I am writing to protest this raise. Roberta Crapo
