REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Florida Power & Light Company
Juno Beach, Florida

We have examined management of Florida Power & Light Company's assertion, included in the accompanying Form of Assessment of Servicing Criteria, that Florida Power & Light Company (the "Company") complied with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission's Regulation AB pursuant to Section 3.04 of the Storm-Recovery Property Service Agreement dated May 22, 2007 (the "Servicing Agreement"), applicable to FPL Recovery Funding LLC's Senior Storm Secured Bonds, Series A (the "Platform"), excluding criteria in Items: 1122(d)(1)(ii), 1122(d)(1)(iii), 1122(d)(1)(iv), 1122(d)(2)(i), 1122(d)(2)(ii), 1122(d)(2)(iii), 1122(d)(2)(iv), 1122(d)(2)(vi), 1122(d)(3)(ii), 1122(d)(3)(iii), 1122(d)(3)(iv), 1122(d)(4)(iii), 1122(d)(4)(v), 1122(d)(4)(ix), 1122(d)(4)(xi), 1122(d)(4)(xii), 1122(d)(4)(xiii), and 1122(d)(4)(xv) (the "servicing criteria"), for the period ended August 27, 2019, which management has determined are not applicable to the activities performed by the Company with respect to the Platform. Management is responsible for the Company's compliance with the servicing criteria and its assertion. Our responsibility is to express an opinion on management's assertion about the Company's compliance with the servicing criteria based on our examination.

Our examination was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion about compliance with the servicing criteria is fairly stated, in all material respects, and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the servicing criteria, including tests on a sample basis of the servicing activities related to the Platform, determining whether the Company performed those selected activities in compliance with the servicing criteria during the specified period, and performing such other procedures as we considered necessary in the circumstances. Our procedures were limited to selected servicing activities performed by the Company during the period covered by this report and, accordingly, such samples may not have included servicing activities related to each asset-backed transaction included in the Platform. Further, an examination is not designed to detect noncompliance arising from errors that may have occurred prior to the period specified above that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report. We believe that the evidence we obtained in our examination is sufficient and appropriate to provide a reasonable basis for our opinion.

The Platform was paid in full on August 1, 2019 and the Servicing Agreement was dissolved upon the Company receiving the Satisfaction and Discharge of Indenture from the Trustee dated August 27, 2019.

Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

In our opinion, management's assertion that the Company complied with the aforementioned servicing criteria for the period ended August 27, 2019, for the FPL Recovery Funding LLC's Senior Storm Secured Bonds, Series A, is fairly stated, in all material respects.
