Re: Docket No. 20200085-GU: Joint Petition for approval of territorial agreement in Sumter County by Peoples Gas System, the City of Leesburg, and South Sumter Gas Company.

Dear Mr. Brown and Mr. Moyle:

By this letter, Commission staff request that Peoples Gas System (PGS) and City of Leesburg (Leesburg) provide responses to the following data requests.

All Parties: (Joint response requested)

1. Response 7 states that three additional customers/accounts (fire station, district building, and Village Gown) will be transferred to Peoples if the territorial agreement in the instant petition is approved. It appears that these three transfers are outside of Commission Order No. PSC-2020-0052-FOF-GU issued on February 11, 2020. Please explain why the joint petitioners are seeking approval of three additional transfers.
2. Response 7 states that a customer notification letter dated April 1, 2020, was sent by Leesburg to its customers who will be transferred to Peoples. This letter does not provide information related to the differences in rates pursuant to Rule 25-7.0471, F.A.C. Since Peoples will be providing customer notification shortly as stated in response 7, please include information such as differences in rates (prior to transfer vs. after transfer) to the customers subject to the transfer and provide a copy of same to the Commission staff.

Please refer to the Territorial Agreement in the joint petition for the following questions:

3. Please explain what the abbreviation terms VCL and COL represent as indicated in the legend of Exhibit A – Map showing the service territories of Peoples and Leesburg within Sumter County.
4. Section 2.1(d) on page 4 of the territorial agreement, refers to an Exhibit B. If there is an Exhibit B, please file a copy of this exhibit in the docket file.
5. Please explain what is referred to as “Villages Grown” on page 4 of the Territorial Agreement.
6. Section 2.1 in Boundary Provisions lists eight customers ranging from residential to industrial that will be served by Peoples. It appears that these customers fall outside of Commission Order No. PSC-2020-0052-FOF-GU issued on February 11, 2020. Please discuss how these customers differ from the customers discussed in question 1 above.

Please file all responses electronically no later than May 1, 2020, via the Commission's website at www.floridapsc.com by selecting the Clerk's Office tab and Electronic Filing Web Form. Please contact me at wtrierwe@psc.state.fl.us if you have any questions.

Sincerely,
