In re: Joint Petition of Sumter Electric )  
Cooperative, Inc. and The City of Bushnell, ) Docket No.  
a Florida municipality, for approval of a )  
Territorial Agreement in Sumter County. ) April 17, 2020  
\_\_\_\_\_ )

**JOINT PETITION TO APPROVE  
TERRITORIAL AGREEMENT**

Sumter Electric Cooperative, Inc. (“SECO”) and The City of Bushnell (“City” or “Bushnell”) (collectively, the “Joint Petitioners” or “Parties”; “Party” for singular references), pursuant to Section 366.04(2)(d), Florida Statutes, and Fla. Admin. Code R. 25-6.0440, jointly petition the Florida Public Service Commission (“the Commission”) for approval of a territorial agreement (the “Agreement”) dated September 24, 2019, entered into by SECO and Bushnell for parts of Sumter County, Florida, that implements the terms of a 1981 franchise agreement and a 2017 arbitration award for customers and facilities transferred to the City. In support thereof, the Joint Petitioners represent as follows:

1. The Joint Petitioners are electric utilities organized under the laws of Florida and are subject to the regulatory jurisdiction of the Commission pursuant to Section 366.04(2), Florida Statutes. SECO is a rural electric cooperative serving consumers in the State of Florida, and its principal place of business is at 330 South U.S. Highway 301, Sumterville, Sumter County, Florida

33585. Bushnell is a municipal corporation formed under the laws of the state of Florida, is defined as a “municipal electric utility” pursuant to Section 366.02(2), Florida Statutes, serves consumers in the City of Bushnell, Florida, and has its principal place of business at 117 East Joe P. Strickland, Jr. Avenue, Bushnell, Sumter County, Florida 33513.

2. For purposes of this Joint Petition, names, mailing addresses and other contact information of the persons authorized to receive notices and communications are:

Facsimile: 407-244-5690

All pleadings, notices, and other communications in this matter should be served on the undersigned attorneys for Bushnell and SECO.

3. The Joint Petitioners simultaneously entered into an electric service franchise agreement approved by Ordinance No. 81-13 (the “Original Franchise Agreement”), and an accompanying territorial agreement dated September 9, 1981 (the “Original Territorial Agreement”). The Original Territorial Agreement was submitted to and subsequently approved by the Commission in Docket No. 810367-EU by Order No. 10676 dated March 30, 1982. The

Joint Petitioners then extended and amended the Original Territorial Agreement by that Agreement entered into on February 1, 1999 (the “1999 Territorial Agreement”). The 1999 Territorial Agreement was submitted to and subsequently approved by the Commission in Docket No. 19991522-EU by Order Nos. PSC-2000-0338-PAA-EU (Feb. 18, 2000) and PSC-2000-0538-CO-EU (Mar. 16, 2000).

4. Upon the expiration of the Original Franchise Agreement, Bushnell exercised its contractual right to purchase certain plant, facilities, and customers of SECO within the corporate limits of the City. The termination of the Original Franchise Agreement approximately coincided with the termination of the 1999 Territorial Agreement that expired March 29, 2012. The Joint Petitioners arbitrated the value of certain distribution assets and customers before a panel of three former judges which resulted in the entry of an Arbitration Award dated April 7, 2017 (the “Arbitration Award”). Upon the conclusion of this lengthy arbitration process the Joint Petitioners then negotiated and entered into a Transfer Agreement dated August 2, 2018 (the “Transfer Agreement”), which contemplates that the City and the Grantee will enter into a new franchise agreement and a new territorial agreement. After multiple years of work, the Parties completed the transfer of facilities and customers in the fall of 2019. These transfers had to occur before a new formal territorial agreement could be prepared and filed because the purchase and sale obligations needed to be fully resolved under the Original Franchise Agreement. This Agreement recognizes the new territorial boundary lines between the Parties reflecting the system acquisition of customers and facilities by the City.

5. The Joint Petitioners have, in fact, entered into a new franchise agreement approved by Ordinance No. 2019-36 dated November 4, 2019 (the “New Franchise”), and approved, subject to approval of this Commission, a new territorial agreement dated September 23, 2019 (the “New Territorial Agreement”). The transfer contemplated by the Transfer Agreement was consummated

and closed on September 24, 2019.

6. To best avoid duplication of services and wasteful expenditures, protect the public health and safety from potentially hazardous conditions, to effectuate the Arbitration Award, the Transfer Agreement, and the New Franchise Agreement, more particularly described above, the Joint Petitioners have negotiated the proposed New Territorial Agreement delineating their respective service boundaries which are contiguous in many places. The New Territorial Agreement of the Parties is attached hereto as Attachment 1 along with accompanying maps and written descriptions delineating the territorial boundaries to which the Joint Petitioners have agreed. The modified territorial boundaries are depicted in the Territorial Boundary maps attached in Exhibit A and a written description of the territorial boundaries are included in Exhibit B as required by Fla. Admin. Code R. 25-6.0440(1)(a).

7. Each Party will have the exclusive authority to furnish retail electric service within their territorial area. This proposed Agreement has been negotiated for a term of 30 years. After expiration of the thirty (30) year term provided herein, this Agreement shall automatically renew for successive one-year renewal terms and remain in effect thereafter unless either Party provides written notice of Termination at least 12 months prior to the termination of the Agreement.

8. There is no reasonable likelihood that the implementation of the Agreement will cause a decrease in the reliability of electric service to the existing or future ratepayers of Bushnell or SECO. The Joint Petitioners believe and represent to the Commission that the provisions of the Agreement will help avoid future uneconomic duplications of facilities and prevent disputes and uncertainties.

9. Prior to the filing of this Joint Petition, in accordance with Fla. Admin. Code R. 25-6.0440(1)(d), the affected customers subject to transfer were sent written notification of this

proposed Agreement. Sample copies of the letters providing such notification are attached as Exhibit C, and the list of customers notified are attached as Exhibit D. As of the time of filing, the City has not received any negative responses or objections to the notification letters. SECO has also not received any responses to the notification letters.

10. The Joint Petitioners recognize that this Agreement and the Parties' performance of this Agreement are subject to the regulatory authority of the Commission, and Section 5.1 specifically acknowledges that Commission approval of the New Territorial Agreement in its entirety is required for the Agreement to be fully effective and enforceable. The New Territorial Agreement was simultaneously executed on the Closing Date of the transfer to Bushnell of facilities and customers within the city limits pursuant to the Original Franchise Agreement.

11. In view of the obligations under the Original Franchise Agreement, the Joint Petitioners were contractually obligated to resolve various issues before a new territorial agreement would be possible. Further, the Parties needed to be sufficiently far along in the process of transferring customers and facilities before new territorial lines and a new territorial agreement could be finalized so that the post-transfer documentation submitted to the Commission would be accurate and complete. These actions were taken by each Party in good faith and in the public interest in order to not have any interruptions of service. The transfers that have occurred have not threatened the public health and safety or resulted in a hazard to the affected customers.

12. The Commission has long recognized that properly constructed territorial agreements between adjacent utilities are in the public interest. This Agreement will avoid duplication of services and wasteful expenditures, as well as protect the public health and safety from potentially hazardous conditions. For these reasons, the Joint Petitioners believe and, therefore, represent that the Commission's approval of the Agreement is in the public interest.

WHEREFORE, SECO and Bushnell respectfully request that the Commission grant this Joint Petition and approve the Agreement contained in Attachment 1 hereto.

Respectfully submitted,

*Counsel for the City of Bushnell*

*Counsel for Sumter Electric Cooperative, Inc.*

# **ATTACHMENT 1**

## **Territorial Agreement**

**TERRITORIAL AGREEMENT**

**SUMTER ELECTRIC COOPERATIVE, INC.**, an electric cooperative organized and existing under the laws of the State of Florida ("**SECO**"), and **CITY OF BUSHNELL**, a Municipal Government organized and existing under the laws of the State of Florida ("**BUSHNELL**") (collectively, the "**Parties**") enter into this Territorial Agreement (the "Agreement") on this 24<sup>th</sup> day of September, 2019.

**WITNESSETH:**

**Article I. RECITALS**

Section 1.1 **WHEREAS, SECO**, by virtue of Florida Statutes Chapter 425 and the Charter issued to it thereunder, and **BUSHNELL**, by virtue of the laws of Florida, are each authorized, empowered and obligated by their corporate charter and laws of the State of Florida to furnish retail electric service to persons upon request within their respective service areas; and

Section 1.2 **WHEREAS**, the respective areas of service of the Parties are contiguous in many places in Sumter County, and to avoid duplication of service, **SECO** and **BUSHNELL** entered into the most recently effective territorial agreement dated February 1, 1999, and approved by the Commission pursuant to its powers under Section 366.04, Florida Statutes, in Order No. PSC-00-0338-PAA-EAU, issued February 18, 2000 in Docket No. 991522-EU (the "Current Agreement"), which delineates the Parties' service territory in Sumter County; and

Section 1.3 **WHEREAS**, the Parties desire to enter into a new territorial agreement in order to gain further operational efficiencies and customer service improvements in the retail service territory in Sumter County, while continuing to eliminate circumstances giving rise to the uneconomic duplication of service facilities and hazardous situations that the Current Agreement is intended to avoid.

**NOW THEREFORE**, in fulfillment of the purposes and desires aforesaid, and in consideration of the mutual covenants and agreements herein contained, which shall be construed as being interdependent, the Parties hereby agree as follows:

## **Article II. DEFINITIONS**

Section 2.1 Territorial Boundary Lines. As used herein, the term “Territorial Boundary Lines” shall mean the boundary lines depicted on the maps attached hereto as Composite Exhibit A which delineate and differentiate the Parties respective Territorial Areas in Sumter County, Florida.

Section 2.2 SECO Territorial Area. As used herein, the term “**SECO** Territorial Area” shall mean the geographic areas in Sumter County allocated to **SECO** as its retail service territory and labeled as “**SECO** Territorial Area” or “**SECO**” on the maps contained in Composite Exhibit A.

Section 2.3 BUSHNELL Territorial Area. As used herein, the term “**BUSHNELL** Territorial Area” shall mean the geographic areas in Sumter County allocated to **BUSHNELL** as its retail service territory and labeled as “**BUSHNELL** Territorial Area” or “**BUSHNELL**” on the maps contained in Composite Exhibit A.

Section 2.4 Point of Use. As used herein, the term “Point of Use” shall mean the location within the Territorial Area of a Party where a customer’s end-use facilities consume electricity, which such Party shall be entitled to provide retail electric service under this Agreement, irrespective of where a customer’s point of connection or metering is located.

Section 2.5 New Customers. As used herein, the term “New Customers” shall mean all end use customers applying for retail electric service after the Effective Date of this Agreement at a Point of Use in the Territorial Area of either Party.

Section 2.6 Commission. As used herein, the term “Commission” shall mean the Florida Public Service Commission.

Section 2.7 Effective Date. As used herein, the term “Effective Date” shall mean the date on which the Commission’s final order granting approval of this Agreement in its entirety becomes no longer subject to judicial review.

Section 2.8 Express Distribution Lines. As used herein, the term “Express Distribution Lines” shall mean a line and related facilities, at distribution voltage, that transports power through the other Party’s territory but serves no load within such territory.

### **Article III. RETAIL ELECTRIC SERVICE**

Section 3.1 In General. **SECO** shall have the exclusive authority to furnish retail electric service within **SECO** Territorial Area and **BUSHNELL** shall have the exclusive authority to furnish retail electric service in the **BUSHNELL** Territorial Area, both as shown on the maps contained in Composite Exhibit A. The Territorial Boundary Line shall not be affected by any change, through annexation or otherwise, that may occur in the corporate limits of any municipality (including **BUSHNELL**) lying within or adjacent to **SECO** Territorial Area or the **BUSHNELL** Territorial Area, unless agreed to in writing by the Parties and approved by the Commission.

Section 3.2 Service to New Customers. The Parties agree that neither of them will knowingly serve, or attempt to serve any New Customer whose Point of Use is located within the Territorial Area of the other Party. However, in those instances where the Territorial Boundary Line traverses the property of an individual New Customer or prospective New Customer, the Party in whose service area the preponderance of the Customer’s electric energy usage is expected to occur shall be entitled to serve all of the Customer’s usage. With respect to new residential customers, however, the Parties recognize that in some such instances, the

information needed to locate the various points of the New Customer's usage in relation to the Territorial Boundary Line with reasonable certainty may be unavailable or difficult to determine, and agree that in such event the Party with the greater portion of the New Customer's property in its service area shall be entitled to serve all of the New Customer's usage.

Section 3.3 Referral of Service Request. In the event that a prospective New Customer requests or applies for service from either Party to be provided to a Point of Use located in the Territorial Area of the other Party, the Party receiving the request or application shall advise the prospective New Customer that such service is not permitted under this Agreement, as approved by the Commission, and shall refer the prospective New Customer to the other Party.

Section 3.4 Correction of Inadvertent Service Errors. If any situation is discovered during the term of this Agreement in which either Party is inadvertently providing retail electric service to a customer's Point of Use located within the service area of the other party, service to such customer will be transferred to such other Party.

Section 3.5 Annexed Areas. In the event any portion of the area within SECO's Territorial Area is subsequently annexed by and into the city limits of Bushnell, Bushnell may (and currently does) impose a franchise fee upon Grantee in return for **BUSHNELL's** permission to occupy Rights-of-Way within the city boundaries. Territories are not affected by annexation for purposes of service, provided however that those Customers annexed into the municipal boundaries of **BUSHNELL** shall be subject to a franchise fee pursuant to such franchise.

#### **Article IV. OPERATION AND MAINTENANCE**

Section 4.1 Facilities to Remain. Other than expressly provided herein, no generating plant, transmission line, substation, distribution line or related equipment shall be subject to transfer or removal hereunder; provided, however, that each Party shall operate and maintain its

lines and facilities in a manner that minimizes any interference with the operations of the other Party.

Section 4.2 **SECO Facilities to be Served.** Nothing herein shall be construed to prevent or in any way inhibit the right and authority of **SECO** to serve any **SECO** facility located in the **BUSHNELL** Territorial Area which facility is used exclusively in connection with **SECO's** business as an electric utility; provided, however that **SECO** shall construct, operate and maintain said lines and facilities in such manner as to minimize any interference with the operation of **BUSHNELL** in the **BUSHNELL** Territorial Area.

Section 4.3 **BUSHNELL Facilities to be Served.** Nothing herein shall be construed to prevent or in any way inhibit the right and authority of **BUSHNELL** to serve any **BUSHNELL** facility (i.e., owned by the **CITY OF BUSHNELL**) located in the **SECO** Territorial Area which facility is used exclusively in connection with **BUSHNELL's** business as a municipal government; provided, however, that **BUSHNELL** shall construct, operate, and maintain said lines and facilities in such manner as to minimize any interference with the operation of **SECO** in the **SECO** Territorial Area.

Section 4.4 Nothing herein shall be construed to prevent or in any way prohibit the right of each party to keep, construct, and maintain Express Distribution Lines within the Territorial Area of the other party.

#### **Article V. PREREQUISITE APPROVAL AND REPORTING**

Section 5.1 **Commission Approval.** The provisions and the Parties' performance of this Agreement are subject to the regulatory authority of the Commission, appropriate approval by that body of this Agreement in its entirety shall be required for the Agreement to be fully effective and enforceable, and the Parties agree they are jointly responsible to obtain Commission approval of this Agreement. Any proposed modification to this Agreement shall be submitted to the

Commission for approval. In addition, the Parties agree to jointly petition the Commission to resolve any dispute concerning the provisions of this Agreement or the Parties' performance hereunder.

Section 5.2 Liability in the Event of Disapproval. In the event approval pursuant to section 5.1 is not obtained, neither Party will have any claim against the other arising under this Agreement.

Section 5.3 Supersedes Prior Agreements. Upon approval by the Commission, this Agreement shall be deemed to specifically supersede the Current Agreements and all other prior agreements between the Parties defining the boundaries of their respective Territorial Areas.

#### **Article VI. DURATION**

Section 6.1 Term. This Agreement shall continue and remain in effect for a period of thirty (30) years from the date of the rendering of the Florida Public Service Commission's Order approving this Agreement. Upon the expiration of the initial thirty (30) year Term, this Agreement shall automatically renew for successive one-year renewal terms. Either Party may terminate this Agreement, provided that such termination becomes effective after the initial thirty (30) year term, by providing notice of termination to the other Party no less than 12 months prior to the effective date of the termination. The notice shall be in accordance with Section 8.3 and shall state the effective date of the termination.

#### **Article VII. CONSTRUCTION OF AGREEMENT**

Section 7.1 Other Electric Utilities. Nothing in this Agreement is intended to define, establish or affect in any manner the rights of either Party hereto relative to any other electric utility not a party to this Agreement with respect to the furnishing of retail electric service including, but not limited to, the service territory of either Party hereto relative to the service territory of any other electric utility not a party to this Agreement. The Parties understand that **SECO** or

**BUSHNELL** may, from time to time and subject to Commission approval, enter into territorial agreements with other electric utilities providing retail service in Sumter, Lake, Marion, Citrus, Levy, Pasco, and Hernando Counties and that, in such event, nothing herein shall be construed to prevent **SECO** or **BUSHNELL** from designating any portion of its Territorial Area under this Agreement as the retail service area of such other electric utility.

Section 7.2 Bulk Power for Resale. Nothing herein shall be construed to prevent either Party from providing a bulk power supply for resale purposes, regardless of where the purchaser for resale may be located. Further, no other section or provision of this Agreement shall be construed as applying to a bulk power supply for resale purposes.

Section 7.3 Intent and Interpretation. It is hereby declared to be the purpose and intent of the Parties that this Agreement shall be interpreted and construed, among other things, to further this State's policy of actively regulating and supervising the service territories of electric utilities; supervising the planning, development, and maintenance of a coordinated electric power grid throughout Florida; avoiding uneconomic duplication of generation, transmission and distribution facilities; and encouraging the installation and maintenance of facilities necessary to fulfill the Parties' respective obligations to serve.

#### **Article VIII. MISCELLANEOUS**

Section 8.1 Negotiations. Whatever terms or conditions may have been discussed during the negotiations leading up to the execution of this Agreement, the only terms and conditions agreed upon are those set forth herein, and no alteration, modification, enlargement or supplement to this Agreement shall be binding upon either of the Parties unless made in writing, signed by both Parties, and approved by the Commission.

Section 8.2 Successors and Assigns. Nothing in this Agreement, expressed or implied, is intended or shall be construed to confer upon or give to any person or corporation, other than

the parties, any right, remedy or claim under or by reason of this Agreement or any provision or conditions hereof; and all the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding only upon the Parties and their respective representative, successors and assigns.

Section 8.3 Notices. Notices and other written communications contemplated by this Agreement shall be deemed to have been given if sent by certified mail, postage prepaid, by prepaid private courier, or by confirmed facsimile transmittal, as follows:

**To SECO:**

CEO  
Sumter Electric Cooperative, Inc.  
330 South U.S. Hwy 301 (33585)

This map was compiled from U.S. Geological Survey quadrangle maps the most recent Florida Dept. of transportation aerial photography available, General land Office plats, road inventory surveys provided by FDOT District personnel and other map data.

This map was compiled using inter active computer graphic methodologies.

This map was prepared on the transverse Mercator projection West Zone Florida system of plane coordinates.

The railroad stations on this map do not necessarily denote the presence of a depot or like facility. It may be only a point, such as a platform or siding, designated for the receipt or delivery of freight.

No attempt has been made to show all drainage canals or ditches.

City populations are taken from the most recent United States Census information. There are 561 square miles in Sumter County.

Due to the scale of this map, the Florida Department of Transportation assumes no responsibility for inaccuracies in road alignments, configurations of intersections or other related data.

Corporate boundaries are determined using all available descriptions as of the date of revision. The Florida Department of Transportation Surveying and Mapping Office is not responsible for inaccuracies resulting from unknown or unobtainable information.

Maps of this series are in the public domain. The maps are compiled and published using public tax monies and are copyrighted to prevent reproduction and resale for profit.

September 25, 2019

Re: (account #/service location)

Dear SECO Energy member:

We corresponded with you previously about the City of Bushnell moving forward with its multimillion-dollar purchase of portions of SECO Energy's electric system within the City limits along with a number of other accounts as part of the contractual agreement.

The account number/service address referenced above is one of 620 SECO accounts that will become City of Bushnell customers as the City completes the transaction that includes compensating SECO Energy for the territory and infrastructure involved in the purchase.

The physical transfer of service and meter exchanges were scheduled to take place in July. The City's processes were delayed and the transition is now scheduled for mid to late October. It will take several weeks for all SECO members affected to fully complete the transfer of service to become City of Bushnell customers. Please contact the City of Bushnell at (352) 793-2591 if you have questions about the process.

No action is required by you at this time. SECO and the City of Bushnell will execute your account's transfer arrangements on your behalf. You will be provided with additional information by the City of Bushnell closer to the meter exchange date.

Please contact the City of Bushnell at (352) 793-2591 if you have any questions or concerns about the upcoming transfer of your service. We are sorry to lose you as a SECO Energy member.

Sincerely,

A handwritten signature in black ink that reads "Kathryn E. Gloria". The signature is written in a cursive, flowing style.

Kathryn E. Gloria  
Vice President of Corporate Communications & Energy Services

August \_\_, 2019

**RE: «SRV\_LOCI\_ADDR1»**

Dear «NAME» or Current Occupant:

The City of Bushnell looks forward to becoming your electricity provider in October 2019 when responsibility for your electric service is transferred from Sumter Electric Cooperative (SECO) to the City of Bushnell. The City's Electric Department is proud and eager to provide you with low-cost, reliable electricity and the personal service of a hometown electric utility.

We aim to make this transition as seamless as possible. Because you **do not** have an existing account with the City for another utility service, such as water, wastewater or garbage, you will need to open a new utility account with the City of Bushnell. Enclosed is a new customer application that we ask you to complete and return to the City as soon as possible, along with a copy of your driver's license. The City **cannot** begin your new electric service without this new customer application being completed and returned. Additionally, **a deposit is required** on your new City of Bushnell electric utility account. Please contact the City of Bushnell Customer Service Department at (352) 793-2591 to discuss your new electric deposit requirement, as well as payment options.

With this change, we expect that you might be wondering about electric rates. We are proud to say that the City's current residential bill is among the lowest in Florida. Our goal for our final rate structure is to ensure all City of Bushnell electric customers, regardless of customer type, will save money when being served by the City of Bushnell.

If you have any immediate questions, please contact the City's Customer Service Department at 352-793-2591.

The City of Bushnell is committed to providing low-cost, reliable electric service for you while enhancing the quality of life in our community. We look forward to serving you.

Sincerely,

Jody E. Young, CGFO  
City Manager/Finance Director  
Enclosures
