Note: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and the media upon request. Therefore, your e-mail message may be subject to public disclosure.

**Subject:** New area code (981) to the Tampa Bay area

The new area code will be 981 to accompany the 813. According to the unused prefixes and NANPA website, 981 is available and ready to be assigned to Florida.

Thank you for your concern.
