In re: Florida Power & Light Company and
Gulf Power Company's 2020-2029 Ten Year
Power Plant Site Plan

Docket No. 20200000-OT

Filed: May 18, 2020

**FLORIDA POWER & LIGHT COMPANY AND GULF POWER COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION
OF INFORMATION PROVIDED IN RESPONSE TO
STAFF OF THE FLORIDA PUBLIC SERVICE COMMISSION'S
FIRST DATA REQUEST (NO. 69)**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") requests confidential classification of certain information provided in response to the Staff of the Florida Public Service Commission's ("Staff") First Data Request (No. 69) ("Confidential Discovery Response"). In support of its Request, FPL states as follows:

1. On March 6, 2020, Staff served its First Data Request (Nos. 1-82) on FPL. FPL's Response to Staff's First Data Request (No. 69) contains information of a confidential nature within the meaning of Section 366.093(3), Florida Statutes.

2. FPL served its responses to Staff's First Data Request (Nos. 1-82) on May 18, 2020. This request is being filed contemporaneously with the service of the responses to Staff's discovery in order to request confidential classification of the Confidential Discovery Responses consistent with Rule 25-22.006, Florida Administrative Code.

3. The following exhibits are included with and made a part of this request:

a. Exhibit A consists of a copy of the Confidential Discovery Responses on which all information that FPL asserts is entitled to confidential treatment is highlighted.

b. Exhibit B consists of an edited version of the Confidential Discovery Responses on which all information that FPL asserts is entitled to confidential treatment is redacted.

c. Exhibit C is a table containing a page-and-line identification of the information highlighted in Exhibit A and a brief description of the Confidential Information. Exhibit C also references the specific statutory bases for the claim of confidentiality and identifies the declarants who support the requested classification.

d. Exhibit D contains the declaration of Tomey Tuttle in support of this Request.

4. FPL submits that the highlighted information in Exhibit A is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes. This information is intended to be and is treated by FPL as private, and its confidentiality has been maintained. Pursuant to Section 366.093, such information is entitled to confidential treatment and is exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

5. As the description included in Exhibit C and the declarations included in Exhibit D indicate, the Confidential Discovery Response provided by FPL contains information concerning bids or other contractual data, the disclosure of which would impair the efforts of FPL to contract for goods and services on favorable terms. This information is protected by Section 366.093(3)(d), Fla. Stat.

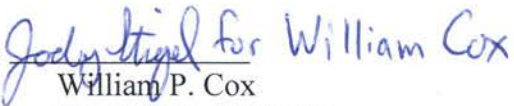

6. Additionally, certain information relates to the competitive interests of FPL and its vendors, the disclosure of which would impair their competitive interests. This information is protected by Section 366.093(3)(e), Fla. Stat.

7. Upon a finding by the Commission that the Confidential Information remains proprietary and confidential business information, the information should not be declassified for at least an additional eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavits included herewith, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted,

In re: Florida Power & Light Company and
Gulf Power Company 2020-2029 Ten- Year
Site Plan.

Docket No: 20200000-EI

STATE OF FLORIDA)
)
COUNTY OF PALM BEACH) **WRITTEN DECLARATION OF**
) **TOMEY TUTTLE**

1. My name is Tomey Tuttle. I am currently employed by Florida Power & Light Company ("FPL") as Manager in Environmental Services. I have personal knowledge of the matters stated in this written declaration.

2. I have reviewed the documents referenced and incorporated in FPL's Request for Confidential Classification for which I am identified as a declarant. The documents or materials that I have reviewed and which are asserted by FPL to contain information concerning bids or other contractual data, the disclosure of which would impair the efforts of the FPL or its affiliates to contract for goods and services on favorable terms (SECTION 366.093(3)(D), F.S.). The information also relates to competitive interests, the disclosure of which would impair the competitive business of the provider of the information (SECTION 366.093(3)(E), F.S.). Specifically, the documents contain information related to FPL's contract with a particular vendor. Release of this information would put FPL at a competitive disadvantage because it would negatively impact our ability to negotiate with vendors in the future, to the detriment of customers. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Under penalties of perjury, I declare that I have read the foregoing declaration and that the facts stated in it are true to the best of my knowledge and belief.

Tomey Tuttle
