In re: Petition by Duke Energy Florida, LLC to Approve Transaction with Accelerated Decommissioning Partners, LLC for Accelerated Decommissioning Services at the CR3 Facility, etc. (the "Petition"); Docket No. 20190140-EI

Dear Mr. Teitzman:

On May 20, 2020, Duke Energy Florida, LLC ("DEF") electronically filed its Notice of Intent to Request Confidential Classification regarding information contained within the documents produced by DEF in response to the Office of the Public Counsel's ("OPC") First Request to Produce Documents (Nos. 1-13) and within portions of both DEF's responses to OPC's First Set of Interrogatories (Nos. 1-25) and in some cases, the interrogatory requests themselves, served in the above-referenced proceeding. As referenced in the Notice of Intent to Request for Confidential Classification, DEF submitted its confidential **Exhibit A** via overnight delivery on May 20, 2020, and its confidential **Supplemental Exhibit A** via overnight delivery on May 22, 2020, both of which contained the confidential documents subject to the Notice of Intent to Request Confidential Classification.

Following a telephone call from Staff's counsel, it has come to our attention that a document was inadvertently left out of the confidential set of documents DEF has submitted in connection with its Notice of Intent to Request Confidential Classification. Accordingly, enclosed with this cover letter is DEF's confidential **Second Supplemental Exhibit A** (in a separate sealed envelope), which contains said document. We kindly ask that the enclosed confidential Second Supplemental Exhibit A be included with DEF's previously submitted confidential Exhibit A and confidential Supplemental Exhibit A.
