Re: 20200000-OT Undocketed
GRU's Response to TYSP Supplemental Data Request #3

Dear Mr. Wright,

Gainesville Regional Utilities hereby submits its electronic version of the Public Service Commission's Ten-Year Site Plan Supplemental Data Request #3. This document will also be emailed to you, Mr. Phillips, and Mr. Kistner.

Please let me know if you have any questions regarding this document.

Sincerely,

/s/Jamie Verschage
Managing Analyst
Gainesville Regional Utilities

Gainesville Regional Utilities' Response to Supplemental Data Request #3
June 3, 2020

1. Referring to Schedule 3.1, please discuss how the Company's Forecast of Summer Peak Demand would be expected to change (i.e. increase, decrease, and to what degree, in general terms) if updated to reflect the impacts of the COVID-19 Pandemic for 2020.

GRU's Summer Peak Demand is forecasted to decrease 4.7% in 2020 and remain unchanged in 2021.

2. Referring to Schedule 3.2, please discuss how the Company's Forecast of Winter Peak Demand would be expected to change (i.e. increase, decrease, and to what degree, in general terms) if updated to reflect the impacts of the COVID-19 Pandemic for 2020.

GRU's Winter Peak Demand Forecast is not expected to be impacted due to the COVID-19 Pandemic.

3. Please discuss how the Company's Fuel Price Forecasts would be expected to change (i.e. increase, decrease, and to what degree, in general terms) if updated to reflect the impacts of the COVID-19 Pandemic for 2020.

GRU's fuel price forecast is not expected to appreciably change due to the impacts of COVID-19 Pandemic.
