Hi Charlie,

Thank you for the confirmation. Per your request, DN 03196-2020 will remain in the docket file; and FIPUG has been added as an interested person in Docket 20200056.

Importance: High

Good afternoon, Charlie,

CLK Received DN 03196-2020 from FIPUG/Moyle, in Docket 20200056. Since this letter is addressed to the Chairman and all Commissioners, I'm assuming that their offices will forward them to CLK to be placed in consumer correspondence. Since it was e-filed (and we note that CLK is not addressed in the letter or added as a cc) we have added it to the docket file. However, we need a bit of clarification and confirmation. Please advise if:

- 1) this letter should remain in the docket file or moved to consumer correspondence; and
- 2) whether FIPUG should be added an interested person in the docket.

Thank you for your help,

Dorothy Menasco
