Subject: Docket No. 20200139-WS/UIF

Walt,

Due to my understanding that consistent with the 2016 rate case, hard copies of the Vol. III, Additional Engineering Information were not required to be filed, the two hard copies of 8,0000 pages each were not filed until Monday, July, 13, 2020. I understand that that date is what the staff will use to establish the deadline for sending any deficiency letter.

Regards, Marty
