*Re: Docket No. 20200155-WU - Application for certificate to operate water utility
in Okaloosa County by Okaloosa Waterworks, Inc. – Supplemental Response to
Staff Deficiency Letter*

Dear Commission Clerk,

Okaloosa Waterworks, Inc. (Okaloosa) hereby provides its supplemental response to Staff's Deficiency Letter dated Jun 30, 2020.

The attached maps were received from the prior owner's engineering firm subsequent to Okaloosa submitting its first response. Polyengineering of Florida represents that these are "as built" of the system. One of these maps looks similar, if not identical, of the map pulled from the FDEP website as approved.

Respectfully Submitted,

Troy Rendell
Vice President
Investor Owned Utilities
// for Okaloosa Waterworks, Inc.
