---

Pursuant to Order PSC-2020-0140-PAA-EG, issued May 12, 2020, this docket shall be closed administratively upon staff's review and approval of administrative program standards filed by Orlando Utilities Commission (OUC) for the company's demand-side management plan. On July 1, 2020, OUC filed its administrative program standards.

On July 20, 2020, staff sent a letter to OUC advising that its plan program participation standards are consistent with the demand-side management plan approved by the Commission. No further action is therefore necessary in this docket. Accordingly, pursuant to Order PSC-2020-0140-PAA-EG, this docket should now be administratively closed.
