Good Afternoon, Ms. Williams.

We will be placing your comments below in consumer correspondence in Docket No. 20200181, and forwarding them to the Office of Consumer Assistance and Outreach.

Thank you!

Toni Hover

Subject: Docket No. 20200181; Fix FEECA Now

Dear Clerk Florida PSC Clerk,

Energy efficiency programs have taken on new importance in light of the economic fallout from the COVID-19 crisis.

The Sunshine state should go to solar on rooftops and over city streets. Let the Sunshine State go to all Sunshine! (Get storage batteries from Elon Musk.)

Get rid of nuclear!

Here's my youtube, "Carbon-Free Nuclear-Free" with Dr. Arjun Makhijani explaining how to get there:
