Subject: Protect our solar rights! Docket: 2020-0000

Dear Florida Public Service Commission,

The middle of a public health and economic crisis is not the time to create more uncertainty by making changes to solar rights that will hurt jobs and take money out of people's pockets.

We need to preserve and incentivise people to choose Solar.

Thus , please preserve all the benefits of using solar including NET METERING!

Sincerely,

David jelaso

80 Rogers St Clearwater, FL 33756-5296
