Subject: Protect our solar rights! Docket: 2020-0000

Dear Florida Public Service Commission,

Hi Commissioners, I purchased a 4 kw solar system about six months ago. It will pay for itself in about ten years, which is a long payback period but I wanted to support my local solar provider (Regions). Please preserve net metering, without which I'll not recover my investment before I die. Thank you so much, Charles

Sincerely,
Charles Reith
