CUSTOMER COMMENTS

I strongly disagree with East Marion utilities request for rate increase. East Marion's service to Lake View Woods is absolutely horrible!! in the 14 years that I have been a customer they have made zero attempts in improving the quality of the water to this community! I have lived in many locations in my life and this is by far the worst water. I refuse to allow my children to drink the water and at times you need a clothes pin to put on your nose to take a shower. yet every chance they can they are always seeking for a rate increase. when the water quality gets so bad their answer is to over shock it with chlorine. to the point the odor alone is unbearable in your home, and we have lost hundreds of dollars in clothing due to clothes being

ruined!
