RE: Docket No. 20200051-GU: Petition for rate increase by Peoples Gas System.
Request for Confidential Classification of Document No. 04634-2020

On August 17, 2020, Peoples Gas System (PGS) filed a request for confidential classification for Document No. 04634-2020. This document consists of PGS' response (Response No. 24) to Commission Staff's Third set of Interrogatories in the subject docket. The information in the document for which PGS seek confidential treatment relates to certain information regarding assets and customers in the counties and communities PGS serves. Staff has reviewed the document and concurs with PGS that the nature of the information meets the requirements set forth in Section 366.093(3)(e), Florida Statutes, whereby disclosure of the information would harm the competitive business operations of PGS.

Therefore, staff recommends that the request by PGS for confidential classification of Document No. 04634-2020 be approved.

The above confidential material was filed along with a request for confidential classification. Please complete the following form by checking all applicable information and forward it to the attorney assigned to the docket, along with a brief memorandum supporting your recommendation.

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
 - (a) Trade secrets;
 - (b) Internal auditing controls and reports of internal auditors;
 - (c) Security measures, systems, or procedures;
 - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;
 - (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information;
 - (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.
