Subject: Protect our solar rights! Docket: 2020-0000

Dear Florida Public Service Commission,

For both environmental and economic reasons I support Florida's net metering law. The citizens of Florida approved an amendment in favor of net metering and rejected the power companies proposal. As a result, thousands of new jobs were created in the solar industry here in Florida.

I strongly support keeping net metering as it is now.

Sincerely,
John ODonnell
349 Scott Ave Sarasota, FL 34243-1922
