CUSTOMER COMMENTS

I Dont mind paying for water my issue with pinecrest is I cant even use my water to cook with because there's so much bleach in the, it's bleached my dark cloth's when I washed them, also I had someone stop by my house to test the water and the water turned so red from chemicals, so I do disagree with the changes it's not fair to pay for bad water. When I call pinecrest I'm told the same thing we will take care of the water and still to much chemicals
