**Re: Docket No. 20200195-WS - Application of Lake Talquin Waterworks, Inc. for grandfather water certificate in Leon County and pass through of regulatory assessment fees.**

Dear Mr. Rendell:

Florida Public Service Commission (Commission) staff has reviewed the application for a grandfather water certificate (application) submitted by Lake Talquin Waterworks, Inc. (Lake Talquin or Utility) on August 4, 2020. After reviewing this information we find the application to be deficient. The specific deficiencies are identified as:

1. **Ownership Information.** Rule 25-30.035(5), Florida Administrative Code (F.A.C.), requires that the applicant provide the name(s), address(es), and percent ownership of each entity or person who owns more than a 5 percent interest in the utility. Please provide the percent ownership of the persons named in the application who own more than a 5 percent interest in Lake Talquin.
2. **System Map.** Rule 25-30.035(14), F.A.C., requires that the applicant provide a detailed system map showing the existing and proposed lines and treatment facilities, with the territory proposed to be served plotted thereon. The system map does not have the boundaries of the territory proposed to be served plotted on it. Please provide a system map corrected to meet this requirement.
3. **Territory Map.** Rule 25-30.035(15), F.A.C., requires that the applicant provide an official county tax assessment map, or other map showing township, range, and section with a scale such as 1" = 200' or 1" = 400', with the proposed territory plotted thereon, consistent with the legal description provided pursuant to Rule 25-30.035(10), F.A.C. No territory map was provided in Lake Talquin's application. Please provide the required territory map.

Mr. Troy Rendell

4. **Permits.** Rule 25-30.035(16), F.A.C., requires that the applicant provide a copy of all current permits issued by the Department of Environmental Protection and water management district. Please provide a copy of Lake Talquin's consumptive use permit from the Northwest Florida Water Management District (NFWWMD). If Lake Talquin is exempt from NFWWMD's permitting requirements, please provide a statement to that effect and the basis for such exemption.

Your application will not be deemed filed until the deficiencies identified in this letter have been corrected. These corrections should be submitted no later than October 14, 2020, to the following address:

Office of Commission Clerk  
Florida Public Service Commission  
2540 Shumard Oak Boulevard  
Tallahassee, FL 32399-0850

Should you have any questions concerning the information in this letter, please feel free to contact Mrs. Melinda Watts by phone at (850) 413-6952 or email [mwatts@psc.state.fl.us](mailto:mwatts@psc.state.fl.us) for technical questions, or Ms. Bianca Lherisson by phone at (850) 413-6630 or email [blheriss@psc.state.fl.us](mailto:blheriss@psc.state.fl.us) for legal questions. Please include the docket number on all submissions to the Commission Clerk.

Sincerely,

*/s/Melinda Watts*
