Based on my review of the correspondence from Florida Veterans for Common Sense, I do not believe it relates at all to Docket No. 20200005-WS - Annual reestablishment of price increase or decrease index of major categories of operating costs incurred by water and wastewater utilities pursuant to Section 367.081(4)(a), F.S. As such, I don't believe the letter should be in consumer correspondence, parties correspondence, or the docket file in Docket No. 20200005-WS nor should Florida Veterans for Common Sense be added as an interested person to Docket No. 20200005-WS. However, I believe the letter should be placed in docket file for Docket No. 20200000-OT - Undocketed filings for 2020.

Good afternoon,

CLK has received the attached efile in Docket 20200005. Should this be placed in consumer correspondence, parties correspondence, or the docket file? Additionally, should we add them to the interested persons list or not.

Thank you for your help!
