Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

No to storm protection plans. I am retired senior citizen and every year my utilities go up. I can not afford any more . stop letting these multi million dollar companies raise rates they are already too high.

PSC is supposed to protect us and you just let them get any increase they ask for. Alberto Rios duke energy customer and resident of brooksville fl .
