Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

We are surrounded by FPL but we are somehow imprisoned by Peace River Co-Op. Some 20,000 Homes. Our electric rates are already double what we would pay FPL, this is criminal.

The Co-Op was created for Farms and sparse population areas. We are paying double to keep their rates down. Let My People Go.

Sincerely,

Mr. Eliot Ford
