Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

I don't understand why this plan was rubber stamped without regard to the public wishes. Damaged. Power lines. Is a cost of doing business.

There are plenty of alternatives, like burying lines etc.

Sincerely,

Mr. Michael Silvey
