Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

We were without power for ten days in Irma. Our house caught fire six weeks or so ago when a tree limb dropped an FPL line across our cable and phone lines. Damage was relatively minor. (Charred paint, fried lines, damaged electronic gear.) Please hold them accountable. There is a plan to bury our power line, but how long it will take is an open question.

Sincerely,
Richard A. Barry
