Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

I'm on a fixed income and don't need a jump in my utility bills to increase FPL's profits! The commission is supposed to be looking out for the people, not the corporations.

Sincerely,

Mr. Garry McNulty
