Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

Add your personal story here

Back when Florida Power was here the trees were trimmed each year before the hurricane season. That no longer happens at all. The power companies are not taking care of their jobs of keeping the lines clear of trees and limbs. Having power out for 2+ weeks when Irma hit is not the way things should be. When they make record profits out of the companies we deserve better.

Sincerely,

Ms. Sandi Baldwin
