Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

And because of the pandemic our household income has been slashed to less than half of what we used to make due to layoffs and hours cut, I hope you will consider this, thank you

Sincerely,

Mr. Paul Royer
