Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

I do not support the SPP at this time. Our fellow Floridians are suffering through hard times and need help from utility bills, not increases for services the majority will never see. Please act humanely for the good of our citizens. We appreciate FPL for delivering excellent service at fair pricing, no more increases are needed at this time.

Sincerely,

Ms. Debby Miller
