Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

Dear Sirs:

Regarding docket 20200092-E21, Florida Power & Light Co / Vero Beach FL., I urge you NOT to pass the Storm Protection Plan. It is not an effective plan. My rent already costs me more than I make at my part time, \$12/hour job with no benefits. I cannot afford another rise in costs of essential service such as electricity. I use FPL service at 6 Plantation Dr #202, Vero Beach FL. I am a senior citizen with no family.

Thank you
J Rousseau

Sincerely,

Ms. J Rousseau
