Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

Please reconsider your plans.

What you are doing is not right and not fair to the citizens of this state.

I hope you will take the higher road and do what is best for all, not just a few.

Sincerely,

Mrs. SUSAN EGER
