Dear Florida PSC PSC,

We are in the middle of a pandemic with unemployment rampant in our state. Right now, Floridians need help making ends meet paying day-to-day expenses, including rising healthcare costs and prescription drug prices, as well as increasing rents and food costs.

What Floridians do not need now is to pay for services that benefits no more than 5 percent of ratepayers.

I'm on Duke Energy. I'm on a budget and keep my place at 80 degrees in the summer to lower my costs.

Sincerely,

Ms. Beverly Rohde
