CUSTOMER COMMENTS

The water is over chlorinated or smell like rotten eggs. I so wished we were on city water or able to drill our own well. Our covenants will not permit drilling on our property. We are between a rock and a hard water. This is not the time for the East Marion Utilities to gouge its customers during an economic crisis!

Any email or other correspondence sent to a Florida Public Service Commissioner, or any other public official and/ or employee of the PSC, in the transaction of public business is considered a public record and is subject to Florida's Public Records Law. This means that Florida law generally requires the PSC to provide a copy of any such email or correspondence, upon request, for inspection and copying to any Florida citizen or to any member of the media.
